

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually offers fresh design concepts as proven in their product development. They enjoy offering items that energize both their dealers and their partners and provide production gains to their customers.

The team at TREK enjoys tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' requirements and skills along with their knowledge of cleaning applications, along with owners' strong desire to considerably lower expense through productivity gains.

When needed, the staff members within TREK and its several dealer members in both parts and in technical support would be accessible. Amongst their core values is their high service dedication in their customer service. Keeping their customers' cleaning machines working and ready everyday is top priority. The company's top of the line technology delivers reliable equipment which ultimately lowers your cleaning expense. The product, the price and the service all work as one to make them an industry leader.
